

All Terrain Vehicles (ATV) / Quad Bikes

Course information:

Used in many land-based industries, ATVs are often a method of getting from “A – B” but with attachments such as trailers or sprayers they are invaluable because work can be carried out in areas that other vehicles may not be able to reach.

Sit Astride and Sit-In ATVs are two categories of machine and require separate qualifications.

Our training courses can be adapted to train your candidates to use ATVs and any attachments to suit your business needs.

Who is the course for?

Dale Valley Training offer novice or refresher courses for both Sit-Astride and Sit-In All Terrain Vehicles. Our courses provide candidates with the knowledge and confidence to operate ATVs safely.
