

## Maintain & Operate the Chainsaw & Basic Cross-Cutting

### Course information:

There are two qualification options for the basic chainsaw module:

#### **City & Guilds (NPTC) 0020-03 Maintain & Operate the Chainsaw & Basic Cross-Cutting**

##### **Pre-Requisite Qualification:** None

Formerly known as CS30 this qualification is suitable for those who work in the forest and/or arboricultural industries or those who need to be able to progress to fell and process material over 200mm in diameter. Our course prepares candidates to take their assessment with a City & Guilds independent assessor. Dale Valley Training arranges NPTC assessments on behalf of their candidates.

#### **Lantra Awards 2556 Chainsaw Maintenance & Cross-Cutting**

##### **Pre-Requisite Qualification:** None

This Integrated Training & Assessment course is suitable for those outside of the forest and/or arboricultural industries or those who do not need to be able to progress to fell and process material over 200mm in diameter. Candidates complete an assessment / test at the end of the course with their instructor.

### Who is the course for?

This course is suitable for anyone who wishes to operate a chainsaw at a basic level. The course is very physical and candidates must be fit and able to carry out the tasks required of the course.

### Course content: (dependent upon accreditation body)

- Operator safety, risk assessments, current legislation
- PPE (Personal Protective Equipment)
- Daily & routine maintenance on a chainsaw
- Starting & checking the chainsaw
- Cross-cutting
- Emergency procedures on a work site
- Stacking cross-cut timber

### Duration:

Training for City & Guilds (NPTC): 2 Days plus assessment time  
Lantra Awards: 2 Days including assessment

### Qualification options:

City & Guilds (NPTC)  
Lantra Awards
