

Highways England Common Induction Course

Course information:

This mandatory course is a requirement for all those visiting or working on the Highways England Strategic Road Network (SRN).

This 1-day course will enable learners to have a basic understanding of health and safety; a knowledge of the principle hazards and risks in their workplace, legislation and best practice, with the aim of a safer working environment.

Course objectives:

To enable course members to:

- ✓ *Understand what Customer Service to Highways England and the Supply Chain is*
- ✓ *Understand the main requirements of the Health & Safety at Work Act*
- ✓ *Gain an overview of Highways England's minimum expectation for working on their Strategic Road Network (SRN)*
- ✓ *Gain a basic understanding of temporary traffic management*
- ✓ *Be able to review fatal risks that occur when working on the SRN*
- ✓ *Be able to identify the essential health & wellbeing points to consider in the workplace.*
- ✓ *State the impact upon themselves, their lives and their families and friends of a serious accident at work*
- ✓ *Be able to identify examples of poor behaviour on a works site*
- ✓ *Be able to identify and describe main environmental issues found on site*
- ✓ *Be able to describe how H&S knowledge and good working practice can improve behaviour on a works site*
- ✓ *Successfully undertake End of Course test (Pass Mark 75%)*
